Image: br

Red | France | Burgundy | 13% | Full-bodied red |
100% Pinot Noir

In a nutshell:

The Domaine has 15 hectares of vines in total, split almost evenly between the communes of Gevrey Chambertin and Marsannay, predominantly planted to Pinot Noir with small amounts of Chardonnay, Pinot Blanc and, from 2022, Aligoté. Farming here combines organic and biodynamic principles (particularly with regard for lunar phases for vineyard work and cellar operations) but the Domaine is certified for neither □ Pierre-Jean Roty says they follow what they know works rather than adopting new trends.

Viticulture:

The selection comes from couple of small parcels of Pinot Noir - the average age is 50 years old.
Classification: Conventional
Harvesting Method: Manual

Vinification:

The wine is bottled without filtration.
