

Last of the Summer Wine

2010 seems to be following the standard pattern of early summer sun followed by a badly behaved jet stream bringing cold air across the country for August.

Ever the optimists, we are assuming that this will in turn lead to a glorious Indian Summer in September and have therefore put together a selection of wines with this in mind – juicy reds and whites with a bit more body than you would want for a scorching hot day, but not the full blooded winter wines we are sure to need in a couple of months time. Order these wines before 30th September to receive a **discount of £25** off your order of two cases (24 bottles) or more.
