PRIVATE CELLAR

Ways to Save with Private Cellar

Whether saving up for special wines or a big birthday celebration, topping up an account for a Godchild, gifting or building a wine collection painlessly throughout the year, we are here to help simplify all your wine decisions.

How it works

Save £50, £100 or £200 (or a sum of your choosing) a month via a Standing Order, we'll credit your account and before you know it, you'll have enough for a case for future drinking or a mature double magnum for a celebratory dinner.

Redeem your credit whenever you like and our personal promise to you is to always be on hand to advise and arrange the right wine for any occasion.
