

Champagne Rosé, Legras & Haas NV

Rosé | France | Champagne | 12.5% | Sparkling rosé

CODE: LH170NV3

Rosé fizz should taste of red fruits, and this really does – tangy red berries, some redcurrant notes, a hint of strawberry and a beautifully smooth texture all make it a sure-fire choice.

Tasting Notes

Legras & Haas follow the alternative school of rosé Champagne making, blending red and white wines together in order to achieve the right colour. This is the only place in Europe where it is permitted to mix different coloured wines and the Champagnes made this way tend to be paler in colour and delicious in flavour.

75cl Bottle
