

Château Pindefleurs, St Emilion Grand Cru 2020

Red | France | Bordeaux | 14% | Full-bodied red

CODE: PN400203

For a while we were able to offer older vintages of Pindefleurs but it has proved so popular that only recent vintages remain available; it does, however, mean we know how the wine will evolve. The Château's 17 hectares of vines are on the western side of the appellation and it is now run by the younger generation.

Tasting Notes

Plummy black berry fruits, creamed and rich with a grilled note behind, this has tannins that are so supple that you have to remember to look for them. Yum!
