Château Séraphine, Pomerol 2020

Red | France | Bordeaux | 14 | Full-bodied red

CODE: SE100203

At just 2.2 hectares, Château Séraphine is small, even by Pomerol standards, where the average property is around six hectares. Martin Krajewski's Pomerol adventure, perhaps the inevitable follow-up to his St Emilion incursion at Clos Cantenac, began in 2017 when he bought a couple of plots of land, one on the northern edge of the appellation and the other southwest of the village of Pomerol itself, where the new cellars and château are located. The wines here and at Clos Cantenac are made by Charlotte Krajewski, Martin's daughter, who honed her skills in South Africa and New Zealand before settling into the Right Bank, bringing a wealth of knowledge to bear in these very traditional sites.

100% Merlot

Tasting Notes

Deeply coloured to the rim with a nose of sweet grilled red and black fruits, very overt and attractive, spiced and showing itself to be quite forward, leading to a palate of again deliciously forward blueberry fruit, rich and intense, with some oak and cinnamon spice, along with a distant grilled note too, really voluptuous and rounded, going to a long, spiced, almost herby finish, very fresh and mineral, really impressive.
