

Lenton Brae Cabernet Sauvignon-Merlot, Margaret River (Screwcap closure) 2020

Red | Australia | Margaret River | 14% | Full-bodied red | Screw cap
87% Cabernet Sauvignon, 8% Merlot, 4% Cabernet Fra

In a nutshell:

Cool fermentation and gentle extraction of colour and flavours from the deeply hued Cabernet and Merlot grapes give a wonderfully rich wine without harsh tannins. Further ageing in French oak supports the supple fruit making this a delicious wine right from the moment it arrives on our shores.

Viticulture:

The fruit is sourced from Lenton Brae's estate in Wilyabrup, close to the coast. This includes some of the oldest Cabernet grown on the estate.

Classification: Conventional

Harvesting Method: Machine

Vinification:

Cool fermentation occurs in stainless steel open-top fermenters; the wine remains on the skins with gentle pump-overs.

Maturation occurs in a combination of new and old French oak barriques for 15 months before bottling.
