

Château Bourgneuf, Pomerol 2021

Red | France | Bordeaux | 15% | Full-bodied red

CODE: BO320213

Deep in colour with a nose of very primary black fruits, some spice but very closed at this point; again very tight on the palate with sappy black fruits, smooth and crisp with substantial tannins behind, with hints of liquorice and spice with some creamy notes and going to a more overt, nicely defined finish with spiced, grilled red fruits. Drink 2026 - 2032

Tasting Notes

Just below Trotanoy, west facing and on soils of gravel and dense clay, Bourgneuf has undergone a renaissance over the past decade since the Vayrons' daughter, Frédérique, joined, and has been gradually bringing in changes.
