

Château Pindefleurs, Grand Cru St Emilion 2021

Red | France | Bordeaux | 13.5% | Full-bodied red

CODE: PN400213

Vibrant purple red with a nose of more concentrated red and fruits, grilled and primary, alluring and surprisingly dense, leading to a substantial palate of grippy red and black fruit, fresh and racy with more marked tannins, a mineral streak behind the fresh fruit and a juicily fruited finish. Drink 2026 - 2032

Tasting Notes

For a while we were able to offer older vintages of Pindefleurs but it has proved so popular that only recent vintages remain available; it does, however, mean we know how the wine will evolve. The Château's 17 hectares of vines are on the western side of the appellation and it is now run by the younger generation.
