

Château Picque Caillou, Pessac-Léognan Magnums 2021

Red | France | Bordeaux | 13% | Full-bodied red

CODE: PC100214

Deep red, black right to the rim with a nose of primary juicy black and red fruits, redcurrants, succulent yet very fresh and red with a hint of marzipan, but essentially, it's all about the fruit. Soft, supple, red and black fruit on entry, with gentle acidity behind and fine, supple tannins in the background; some spice, nutmeg, with lovely juicy red and black fruit on the long-poised finish. Will drink beautifully when young and whilst waiting for your 2019 and 2020 to be ready.

Drink 2025 – 2035+

Tasting Notes

Château Picque-Caillou takes its name from the pebble strewn soils of the 21-hectare estate, located right at the gates of the city of Bordeaux itself. We are always assured a warm welcome from Paulin and Isabelle and their wines are enjoyed by Private Cellar customers and our team alike at parties, weddings, Sunday lunches, everyday suppers.
