

Mixed case - Sichel

France | Bordeaux

CODE: SICHMX22

We were joined by **Max Sichel**, 7th generation of the famous Sichel family. To taste our **House Claret by Château Argadens** as well as the **Château Argadens Blanc**. The Sichel family are owners of Château Angludet, and part-own Palmer in Margaux along with a number of other vineyards. As well as being tremendously charismatic and knowledgeable on the region, if there is a new trend or talking point that Max doesn't know about, then it simply isn't worth knowing. Our conversation covered the recent 2022 harvest, current developments in Bordeaux, sustainability and much more as we tasted the wines.
