

Bodegas Pinuaga Colección, IGP Tierra de Castilla Magnums - Organic 2019

Red | Spain | Tierra de Castilla | 14.5% | Full-bodied red

Organic

CODE: PN100194

Colección comes from a single, six hectare vineyard of 35 year old Tempranillo and spends six to nine months in French and American oak barrels; packed with brambly black fruits, juicy and jammy with a fine tannic structure behind. Delicious.

"Made in Tierra de Castilla in central Spain from a special clone of organic, single vineyard Tempranillo, it's rich, full and fruity and – in magnum – my absolute go-to vino for rambling Sunday lunches." Jonathan Ray, *Spectator* drinks editor, October 2023

Tasting Notes

Pinuaga converted to organic viticulture sometime before it was fashionable in Spain; the decision was not one of fashion nor keeping up with the trend but focused on both the ultimate quality of their wines as well as their environmental impact.
