Maranges Blanc, Domaine Chevrot - Organic 2020

White | France | Burgundy | 13.5% | Dry, full-bodied white

Organic

CODE: MA550203

Visiting Domaine Chevrot on the day before they held an open weekend for the general public, we were tasting their young 2020s in amongst a developing tropical paradise – a little disconcerting but it didn't distract in any way from the wines themselves. With a small 2020 harvest, particularly for reds, and a shocker in 2021 for both colours, Pablo Chevrot decided to release his 2020s later in 2022 so that he could balance his stocks for the two vintages across the two years.

Tasting Notes

A quarter of the *cuvée* was fermented in large *foudres*; golden with a light green hint with a very tight nose which needs coaxing out to reveal rich, semi tropical fruits, bergamot and citrus, grilled, with a note of *crème pâtissière*, spiced and almost edible with lovely complexity. On the palate, lovely racy white stone fruits, nicely rich yet racy upright, floral and again lots of white stone fruits, herby and mineral and going to a long, racy, persistent, citrus-infused finish. Drink now for sheer pleasure.
