

Mâcon Chaintré les Perrières, Domaine des Combiers, Laurent Savoie 2020

White | France | Beaujolais | 14% | Full-bodied white

CODE: MC390203

Bright green gold with a lovely grilled and creamy nose, rich and some leafy with an equally rich, creamed palate, mineral and broad with a long, toasty finish and idea for drinking now as an aperitif or with food.

“The 2020 Les Perrières isn’t a wine that demands food, but it goes very well with creamy dishes – pasta, chicken, fish – and with mayonnaise and hollandaise sauces, which gives quite a wild field. I enjoyed it with brown shrimps and prawns, both with and without mayo, and chicken with hollandaise. Fish pie and simple grilled fish come to mind, too.” - Joanna Simon, February 2024. Tasting Notes

This new wine to Laurent’s canon from the southern part of Mâcon, just south of Fuissé. Mâcon Chaintré is one of several villages permitted to include its name on the label, elevating it above normal Mâcon Villages. Les Perrières is a particularly stony site – hence the name – and the wine is aged for eight months in large oak barrels. We thought it delicious and snapped up the last of it.
