Red | France | Bordeaux | 13% | Full-bodied red

CODE: PC100224

Deep, intense red black with a nose of soft black fruits, blackberry in particular, rich and intense, juicy and fresh – layers of fruit! Big black fruits carry through onto the palate, soft with substantial ripe tannins behind completely enveloped by fruit, going to a long, ripe finish with a hint of crunchy freshness. This will drink well early, midterm and longer term.

50% Cabernet Sauvignon, 45% Merlot, 5% Petit Verdot; 40% new wood; 18 hectares producing 33 hectolitres per hectare in 2022.

Tasting Notes

Château Picque-Caillou takes its name from the pebble strewn soils of the 21-hectare estate, located right at the gates of the city of Bordeaux itself. We are always assured a warm welcome from Paulin and Isabelle and their wines are enjoyed by Private Cellar customers and our team alike at parties, weddings, Sunday lunches, everyday suppers.
