

Château Tayet, Cuvée Prestige, Bordeaux Supérieur 2019

Red | France | Bordeaux | 14% | Full-bodied red | Natural Cork
55% Merlot, 35% Cabernet Sauvignon, 10% Petit Verd

In a nutshell:

Tayet was recently described by one of our customers as the "miracle that keeps on giving" – high praise indeed, and fully deserved. Winemaker Jean-Michel Garcion, who oversees all the de Mour properties, is, frankly, a genius when it comes to coaxing out all the best flavours in a grape.

Viticulture:

The fruit comes from a single 10-hectare plot planted on clay and limestone soils. The average age of the vines is 25 years. Following traditional methods which maintain the natural ecosystem - debudding, suckering, green harvest, and de-leafing. Always maintaining the highest standards due to the HVE 3 certification.

Classification: Conventional

Harvesting Method: Manual

Vinification:

The fruit undergoes a cold pre-fermentation maceration lasting 15-30 days; it takes place in concrete and stainless-steel vats. The parcels are then batch fermented according to grape variety, age of vines and soil origin. Fermentation is at 28-32 degrees Celsius to maximise aromatics. After ferment, the wine is aged for 12 months in French oak barrels, 50% of which are new. Average annual production is 60,000 bottles.
