

Bourgogne Hautes Côtes de Nuits Blanc La Montagne, Domaine Truchetet 2021

White | France | Burgundy | 13% | Dry, crisp white
CODE: BH350213

1.2 hectares of vines, in the hills directly above Premeaux. Bright green gold with a nose of sweet white stone fruits, lightly grilled with some sunny fruit, leading to a sweet, ripe palate, intense with a grilled note, rich with a distant citrus touch and a long finish. Very grown up for the appellation. Drink 2024 - 2028

Tasting Notes

The energy at Domaine Truchetet is quite something to see – and feel – when you visit. Managed now by Morgan and Julie Truchetet, along with Morgan’s partner Pauline, they are constantly improving and innovating, pushing the boundaries of what they think they can do, and the results are really impressive. On top of their Domaine holdings in Premeaux, south of Nuits St Georges, Pauline has taken on some derelict family vines from the Côte de Beaune and harvested her first grapes in 2022. They are obsessed, in a good way, with the health of their vineyards which really worked in their favour in the difficult 2021 growing season.
