

Bourgogne Passetoutgrains Les Vercherres, Domaine Rougeot - Organic 2022

Red | France | Burgundy | 12% | Medium-bodied red

Organic

CODE: LV010223

Very deep in colour with a nose of juicy black fruits, leafy and fresh, very primary, leading to a palate of equally juicy red fruits, some brioche notes, bright and racy with a lovely red fruit finish on the end. Delicious and vibrant. Drink 2024 - 2027

"Unfined and unfiltered, indeed with no sulphur added, this minimally made Passetoutgrains is delicious. It offers a nose of dark cherry, muddled fruit with a pleasing herbaceous note – almost liquorice-like. There's lovely density on the palate and plenty of freshness, the whole thing lush and juicy, with an earthy minerality grounding the whole thing. Lovely." **Sophie Thorpe, Decanter May 2026**

Tasting Notes

40% Gamay, 60% Pinot Noir, grown within the Meursault commune; aged in *foudres*.
