

Pomerol, Ets Jean-Pierre Moueix 2020

Red | France | Bordeaux | 15% | Full-bodied red

CODE: JP400203

Gorgeously intense, very Pomerol, with blackcurrant and black cherry notes with supple tannins behind and a deliciously long, plummy finish.

Tasting Notes

If ever there were any one name associated with Pomerol, it would be that of Moueix, so it is no surprise that their 'generic' Pomerol is far more than that, given that it is a blend of second wines from their top-rated properties and other neighbours in the appellation, and for this very reason it is always in short supply.
