

Château Moulin Pey Labrie, Canon-Fronsac 2020

Red | France | Bordeaux | 14% | Full-bodied red

CODE: MO700203

The secret of top Merlot on the Right Bank lies in the limestone escarpment which runs in a line from Castillon to Fronsac via Saint Emilion and under almost all the *Premiers Grands Crus Classés* in the process. Grégoire and Bénédicte Hubau have an all-consuming passion for their microscopic vineyards and this shows in the end result.

Tasting Notes

95% Merlot 5% Malbec: 28% new oak

Deep vibrant red-black to the rim, opaque, with a nose of brambly dark fruit, mulberry and notes of sweet black cherry. On the palate, smooth and sweet on entry, almost velvety, with lovely rich black fruit, light smoky notes. Fresh and elegant with lots of supple tannins, really pure with a long, fruity, ripe finish.
