Tasting Notes

Deep red black, not opaque, with a rich, savoury, black fruited, nose, lightly spiced, rich and fresh, very nicely done. On the palate big sweet black fruits, fresh and prunes too, very intense and almost stony, smooth and layered with substantial, supple tannins, nicely layered with big black fruits, a hint of orange oil, fresh and clean and going to a long, smooth dark finish. Very satisfying. Drink 2027 - 2037+
