Petit Cantenac, Grand Cru St Emilion 2023

Red | France | Bordeaux | 14% | Full-bodied red

CODE: PC080233

Deep purple, not opaque with smooth black skinned fruit on the nose, perfumed with a nice intensity, blackberry and black plum fruit, brambly, with a light touch of new oak, very well integrated. Smooth black fruits on the palate, creamy and well fruited, with smooth chocolatey tannins, soft and easy, with some spice but very gentle extraction, not over worked, going to a violet infused, red fruit finish, medium finish. Very satisfying. Drink 2027 - 2034
