

Clos Cantenac, Grand Cru St Emilion Magnums 2021

Red | France | Bordeaux | 14% | Full-bodied red

CODE: CC370214

From a cool and elegant vintage, Clos Cantenac 2021 has ripe berry fruit on the palate, blueberries, compote and fresh red berries too. Medium in body, the pretty fruit wrapped in gentle tannins makes it an ideal wine for drinking now. 40% new oak.

Tasting Notes

In its second decade, the Krajewski family's Clos Cantenac, to the west of St Emilion, continues to go from strength to strength. The vines, which now average around 35 years old, are really getting into their stride and Martin's daughter Charlotte – Lolly – who has been making the wine there for the past three vintages, is constantly refining how she treats the grapes, both in the vineyard and the cellar, in order to highlight their terroir.
