

## Château Picque Caillou Blanc, Pessac-Léognan 2022

White | France | Bordeaux | 13% | Full-bodied white

CODE: PC130223

Beautiful pale water white with a nose of crushed young nettles, leafy, fresh and racy, vibrant with some grapefruit and lightly exotic notes, leading to a deliciously ripe palate, rich and intense, with light acidity, yet remaining racy, juicy, semi-exotic fruits and going to a rich, ripe finish. Yum! Drink 2024 – 2028

### Tasting Notes

Château Picque-Caillou takes its name from the pebble strewn soils of the 21-hectare estate, located right at the gates of the city of Bordeaux itself. We are always assured a warm welcome from Paulin and Isabelle and their wines are enjoyed by Private Cellar customers and our team alike at parties, weddings, Sunday lunches, everyday suppers.
