

Beaujolais Villages Elégance, Domaine des Combières, Laurent Savoie 2023

Red | France | Beaujolais | 13% | Lighter, fruitier red

CODE: BV200233

Deliciously juicy and primary with vibrant, soft red fruits, a light leafy note with a refreshing, freshly-crushed fruit finish. With intensely pure fruit, and silky tannins, this is beautifully easy-going and so deliciously quaffable. Try it lightly chilled for a refreshing change.

Tasting Notes

The style of Beaujolais is dictated to a greater or lesser extent, by the pink granite content of the soils, coming from a long-extinct volcano, and Laurent Savoie has plenty of it in his vineyards. These granite soils push Gamay to its best expression, giving the wines mouth-watering minerality.
