

Picpoul de Pinet, Cave de Florensac 2024

White | France | Regional France | 13% | Dry, crisp white

CODE: PP050243

Their wines are delicious and this Picpoul is redolent of peaches and white flowers with a lovely zip of racy freshness.

"Golden sandy yellow; tropical citrus, white flowers and white pepper; crisp, fresh and saline with ripe white stone and orchard fruits, lemongrass, sherbet, zippy lime marmalade and brazil nut leesy savouriness; rich, complex and elegant." **Tom Lewis**, via Medium (2022 Vintage)

Tasting Notes

Picpoul has ridden the waves of popularity, going from unknown to ubiquitous in a very short space of time. Les Vignerons de Florensac make one of the best; their group is made up of 260 small farmers with some of the oldest vines in the region who bring their fruit to be processed by the cellar.
