A blend of Viognier, Clairette, Grenache Blanc and Grenache Gris. Tasting Notes

Domaine Font du Vent, formerly known as Domaine Font de Michelle, has been run by cousins Bertrand and Guillaume Gonnet for the past twenty years. In 2002 they bought a 20 hectare estate to the south of Châteauneuf du Pape in order to produce a wider range of wines, including Les Promesses Blanc, a blend of Viognier, Clairette, Grenache Gris and Grenache Blanc.
