

Beaune Blanc Clos du Foulot, Domaine Baptiste Guyot 2023

White | France | Burgundy | 12.5% | Dry, crisp white

CODE: BF600233

From 0.75 hectares, immediately outside the new cellar, with just 40cm of soil above the bedrock; 25% new wood. Bright gold with a nose of focused white flowers, white stone fruit with a light hint of honey, ripe greengages, citrus and even a touch of lime and lime flower. On the palate lovely citrusy fruit, again juicy and pure, structured with a light grilled note behind, going to a long, lime flower (tilleul) infused finish. Delicious. Drink 2025 - 2028+

Tasting Notes

Situated on a residential side street in Beaune, on arriving at the Domaine you don't really notice that the premier cru hillside rises almost directly out of Baptiste's chai – his grapes must have one of the shortest journeys in all of Beaune! This wine comes from a monopole vineyard immediately behind the house in Beaune; it has surprisingly dark soil for Burgundy before going down to limestone.
