

Pouilly Fuissé, Vieilles Vignes, Meurgey-Croses 2023

White | France | Burgundy | 13% | Dry, fuller-bodied white

CODE: PF650233

Pale in colour with a nose of rich all-butter shortbread, floral, with white stone fruits and some apricot too and a distant grilled hint from the oak. Saline on the palate with notes of juicy white stone fruit, rich with a fine structure behind, honeyed yet fresh and with a lovely long, persistent finish. Drink 2025 - 2028+

Tasting Notes

Sourced from a vineyard belonging to close family friends, these 60 - 95 year old vines are located across the top, middle and bottom of the parcel over four plots; each one is vinified separately so that Pierre can have a really good overview of the components before blending. 14 barrels were made in 2023, of which one was new and several had been used just once before.
