

Hautes Côtes de Beaune Blanc, Domaine Chevrot - Organic 2022

White | France | Burgundy | 13% | Full-bodied white

Organic

CODE: HC110223

From 1.84 ha in the Hautes Côtes, aged in a mix of *foudres* and barrels. Pale green gold with a nose of creamed white stone fruits, some chalky notes, not overt, with caramelised notes leading to a juicy, rich and creamed palate, lovely and racy in the mid palate, freshened with a green note, linear and tight too, going to a long, supple finish. Drink 2024 - 2026

Tasting Notes

We love visiting Chevrot as there is no artifice, no pretence, and we know that what we are tasting comes from Pablo and Vincent's hearts; they care passionately about their vineyards, their people and, most of all, the resulting wines.
