

Château des Mailles, Sainte Croix du Mont 2023

White | France | Bordeaux | 13% | Sweet white

CODE: ML200233

A majority of Sémillon with some Sauvignon and Muscadelle as seasoning, this is rich and unctuous, with notes of caramelised orange and some wild honey behind, the perfect partner for cheese and oysters.

Tasting Notes

Along the banks of the Garonne River there are many small villages where wines are made in a similar style to Sauternes but just not within the hallowed boundaries of the appellation. They too get the morning mists, the botrytis attacks and the afternoon sun which allows the noble botrytis to form, and Sainte Croix du Mont is one of the better known villages.
