

Pinuaga Nature, IGP Tierra de Castilla - Organic 2023

Red | Spain | Tierra de Castilla | 14% | Full-bodied red

Organic

CODE: PN180233

Pinuaga Nature is possibly the purest expression of the Tempranillo grape. Vinified solely in stainless steel it is a tour de force of juicy dark fruit, smoky and intense, with super-supple tannins and a lovely zip of freshness.

Tasting Notes

Esther and her team at Pinuaga firmly believe in organic and environmentally friendly farming. Their 30 hectares of vines are planted relatively high at 750 to 900m which gives them cooler nights than those on the plains, allowing the fruit respite from the summer heat.
