

Vico dell'Amore Greco di Tufo DOCG, Nativ 2024

White | Italy | Campania | 13% | Dry, crisp white

CODE: SG070243

Bright and floral with deliciously juicy, semi tropical fruits, white flowers, mineral and racy with a lovely long finish.

"It was an Italian white from Private Cellar a few years ago that first got me properly into Italian whites. The narrative arc of Italy's white wine production in recent decades starts with a much-needed clean-up in response to the technical precision of the New World, resulting in neutral-to-super-neutral whites that finally re-gained some of the personality that had been 'lost in the wash'" – Tom Lewis, The Cambridge Wine Blogger.

Tasting Notes

One of the oldest grape varieties, supposedly introduced by the Greeks back in the mists of time, and perfectly adapted to the highly mineral clay-limestone soils.
