

Sancerre Rouge, Domaine Firmin Dezat 2023

Red | France | Loire | 12.5% | Medium-bodied red

CODE: SA070233

Vibrant, jewel-like ruby red, this is filled with gloriously brambly fruit, some black cherries too and it manages to feel full bodied without any weight – what an achievement.

Tasting Notes

With the third generation now at the helm, Domaine Firmin Dezat is enjoying small but important tweaks, particularly in the vineyard, to maintain and raise the quality of their wines. Pinot Noir from Sancerre comes to resemble its Côte d’Or counterparts, perhaps not surprisingly given that it is only 200km from Beaune.
