

Pinuaga Rosé, Tierra de Castilla - Organic 2025

Rosé | Spain | Tierra de Castilla | 13% | Dry rosé

Organic

CODE: PN200253

A blend of Tempranillo and Grenache. Characteristically deep in colour, vibrant pink, with a nose of unashamedly bright red berry fruits, raspberry, cherry and even some blackcurrant, leading to a palate laced with cherry and blackcurrant, bone dry yet full bodied and so very different in style from the waif-like Provence wines. Great on its own, amazing with food.

Tasting Notes

Referring to the colour, Esther Pinuaga says '*we took a risk by not imitating Provence – now we need you to take the same risk!*'.
