

Pink O'Clock, Château Sainte Croix, IGP Var - Organic (Screwcap closure) 2025

Rosé | France | Var | 12.5% | Dry rosé

Organic

CODE: SC360253

A blend of Merlot, Grenache, Cinsault and Muscat with a screwcap closure. Château Sainte Croix is newly certified as an organic producer this year – congratulations to them! They decided it was time to make things easier when relaxing by the pool (or, indeed, by the fire ...) so they added a screwcap to their new line, Pink O'Clock. Deliciously pale with lovely bright red fruit, fresh and leafy with bags of flavour behind, this is destined to be drunk young, in company and all year round.

Tasting Notes

Château Sainte Croix's first five hectares of vines were planted in 1924; fourth generation Stéphane Pélépól now manages more than 50 hectares, spread across the Var region, focusing on rosé as well as red wines.
