

Côtes du Rhône Viognier, Château Beauchêne 2025

White | France | Rhône | 14% | Full-bodied fruity white

CODE: VB080253

A gorgeous nose of fresh stone fruit and some ripe red apple too. Peachy but fresh on the palate with a balancing phenolic touch, bright and filled with lovely stone fruit and white flowers, some lemon sherbet notes, a mouth-filling texture and a gorgeous almondy bitter touch on the end to bring it back to a clean finish. This has body, weight and alcohol all in balance – great typicity and perfect for white Rhône lovers! Enjoy in its youth for all the exuberance. Drink 2026 - 2028

Tasting Notes

We have been following the Beauchêne wines for nearly 20 years now and it is hard to say anything new without sounding gushing or insincere.
