

Beaune Blanc Clos du Foulot Monopole, Domaine Baptiste Guyot 2024

White | France | Burgundy | 13% | Dry, crisp white

CODE: BF600243

From 0.75 hectares, immediately outside the new cellar, with just 40 centimetres of soil above the bedrock; 25% new oak. Pale with a nose of tight yellow flowers, yellow stone fruit, really expressive and leafy, leading to a rich palate of white flowers and white stone fruit, vibrant and truly delicious, racy and juicy with a gloriously long finish. Brilliant! Drink 2026 - 2030

Tasting Notes

Situated on a residential side street in Beaune, on arriving at the Domaine you don't really notice that the premier cru hillside rises almost directly out of Baptiste's chai – his grapes must have one of the shortest journeys in all of Beaune! This wine comes from a monopole vineyard immediately behind the house in Beaune; it has surprisingly dark soil for Burgundy before going down to limestone.
