

Soave Gregoris, Fattori (Screwcap closure) 2025

White | Italy | Veneto | 12.5% | Dry, crisp white

CODE: FA980253

Antonio Fattori's Soaves have featured on our list almost from the off, and for good reason. His Gregoris is sublime – fresh, juicy, almost peachy with a hint of almond kernels, managing to appeal to those who like racily bright wines and those after more plumpness – a real triumph.

Tasting Notes

One of our longest serving wines, for which we make no apologies. Antonio Fattori is a brilliant winemaker and responsible in part for the rehabilitation of Soave after overproduction in the 1980s.
