

Jonathans Ridge Pinotage, Springfontein - Organic 2022

Red | South Africa | Springfontein Rim | 14% | Full-bodied red

Organic

CODE: JR450223

Inkily dark with a nose of tarry black fruit, really enticing, spiced and herby; on the palate big black fruits, sloe, savoury with crunchy tannins, spice, layered with substantial extract, and a lovely, perfumed finish.

Tasting Notes

This Pinotage comes from a single vineyard plot in the Springfontein estate, a concept that we are already very familiar with for 'old world' wines but which is increasingly being taken up by 'new world' producers who wish to showcase the diversity and expression of their vineyards.
