

Badilante, IGT Toscana Podere 414, Simone Castelli - Organic 2024

Red | Italy | Tuscany | 14% | Full-bodied red

Organic

CODE: BD100243

Pale limpid red with a nose of juicy red fruits and black cherry, very alluring, with a light cedary note behind. On the palate, fresh red fruits, nicely tart and refreshing, fruity too, and again a light cedary / tarry note. The ripe structure makes this delicious to drink now – and it is delicious lightly chilled too.

Tasting Notes

Our first visit on our Tuscan Tour of the Terroirs, and one of the highlights of the trip, was to Podere 414. Simone was away (accepting an award in Milan, so we can't blame him) but we were looked after beautifully by his wife Mara and their viticulturist and winemaker; everything fell into place and, having visited the vineyards and tasted the wines, it was a real struggle to get the group to move.
