Waipara West Sauvignon Blanc (Screwcap closure) 2023

White | New Zealand | Waipara | 13% | Dry, crisp white

CODE: WW190233

This wine always shows such elegance and balance, with subtle green stone fruits on the nose and palate, grassy and bright with lovely vibrant acidity, layered and juicy with a hint of lemon sherbet on the end.

Tasting Notes

In 1989 the Tutton family bought Waipara West, an old sheep farm close to Canterbury on the South Island. They deliberately chose land further inland from the majority of the Waipara vineyards and on the banks of the river in order to reduce the risk of frost and now have 25 hectares of vines.
